**Yoko:**

2nd year art student, Room 101.  
She over-eats figures like a cat

and loves music. Is cutting con-  
cerned with her weight.

**Yaguchi:**

1st year art student, Room 202.  
Plays with the model with her  
cousin (and brother/sister).

Personality always comes with an  
empty stomach and outfit. Her  
interests are in art.

**Yoko:**

1st year art student, Room 201.  
Personality and look girl.  
She's a bit of a girl, she  
change into her look.  
Love cat things.

2nd year art student, Room 102. A  
professional reporter. Pretends like she  
has a lot of experience with romance,  
but actually has none. A girly classical
